**Jose J. Alderete Middle School**

*Excellence Through Integrity and Innovation*

Dear Alderete M.S. Parents:

On behalf of the entire Alderete Middle School family, I would like to welcome you to the 2018-19 school year. The middle years are an exciting time in which children embark on a journey into adulthood. At Alderete M.S. we value the privilege of preparing our students academically, emotionally and socially as they make that transition. These years can be difficult for all children. It is a time that brings rapid growth and transformation, and if not properly equipped can prove to be a negative time to maturity. The dedicated faculty and staff at AMS provides our students all the necessary tools to be successful and enjoy these formative years.

The 2017-18 school year proved to be a successful one for our school. In this past year, we witnessed an exponential growth in the number of students we serve. The academic success the campus experienced continues to demonstrate the commitment of our staff and community to the goal of educating the whole child. The three years here at AMS will bring different dynamics every year. If this is your first year or your last, we invite all our parents to come on campus and experience the partnerships with our school that will provide a lasting effect on your child's education. We thank you for your trust in sharing your child with us during these formative years. They will pass quickly, so we invite you to enjoy every moment and cherish this time as you see your child rapidly blossom every day into young adults.

Sincerely,

Dr. Oscar Rico  
Principal
